USE OF PERSONAL INFORMATION

We need to know basic personal data in order to provide you with an effective theft deterrent product. Your personal details will enable law enforcement bodies to positively identify a recovered item and on occasions repatriate an asset to its rightful owner and enable prosecution. We take all reasonable steps to ensure that your personal data is processed securely. More detailed information about how we process your data can be found in our Privacy Notice - the most up to version will always be available on our website at the following address: <https://www.datatag.co.uk/privacy.php>

From time to time we would also like to send you information about our own products and services, and even our success stories. These can be sent by post, telephone, email and even SMS. By ticking one or more of the boxes below you agree to being contacted in this way. I agree to receive information from Datatag about Datatag products, services, promotions, special offers and other selected relevant information:

Post Email Phone SMS

Please remember, you do not have to consent to receiving marketing information and provision of our service to you is not conditional upon giving consent. You can withdraw your consent at any time by emailing us at dataprotection@datatag.co.uk

The Change of Registered Keeper is subject to a one off fee of £25 inc. VAT.
